Summary

I am a self-motivated, hardworking, and proactive graduate of Agricultural Science with strong interpersonal, research, and problem-solving skills. Eager to utilize my technical and soft skills in a challenging work setting and become an asset to the organization I work for. I possess extensive proficiency in various word processing software such as Microsoft Word, Excel, PowerPoint, Figma and Visual studio code. With a proven history of excelling in my roles and responsibilities, I am a proactive individual who fosters teamwork, promotes accuracy within the organization, adeptly handles high-pressure scenarios, and efficiently completes tasks to meet deadlines.
